Dear Mrs Manley,

I received your letter concerning my leaving for Training Camp. I can meet you at the Grand Hotel by Sunday. I can leave Fri 31st of March. There is one favor I would appreciate your doing for me if you will. Could you send along with my train or bus fare \$20.00 extra so I can leave it for my wife. I would be greatly indebted to you. If you can't I will try to borrow some to leave her. Are you driving the bus down? Thanking you for any consideration you can make

I remain

Cordially Yours

John Howard Davis
